

LPAC Canteen Tender

In line with our profit share program for volunteers, the Longbeach Committee has decided to invite clubs to tender for the 2 weekends of competition at LPAC in 2023. Should there be enough interest we envisage there will be two successful clubs allocated one weekend each – the dates to be decided by the committee, and, if possible, when the successful club is not competing so the full focus is on maximising fundraising for their club.

Set up is to be on the Saturday morning prior to the first session of your weekend. Time to be agreed with LPAC Supervisor and fit in with Longbeach Committee set up times.

You must supply all equipment, tables, cloths, etc

All electrical equipment must be tagged and tested.

On each competition day the canteen must be set up and ready to open no later than 1 hour prior to the competition starting time and stay open until after last break for the day. (Stock and equipment can be stored overnight on the Saturday night). Estimated break times and expected audience sizes will be provided by the Longbeach Committee.

Expectations:

- Prices to be agreed amongst the successful clubs and the Longbeach committee to provide competition consistency
- You must have a qualified food handler on site at all times
- Hot food examples– steamed dim sims, soup, bbq (optional but must be agreed by all parties for consistency)
- Cold food examples – sandwiches, fruit salad, cakes/slices, chips, chocolates
- Healthy options must be included
- Home-made goods viewed favourably (but ingredients listings must be available)
- Beverage examples – tea/coffee/hot chocolate, soft drinks, juices, water
- Minimum of 3 servers during break times
- Minimum age of servers 16 years
- EFTpos availability a bonus (Longbeach ticket box uses Square)

100% of profits are yours. All we ask is that Morning/Afternoon tea and main meals are supplied for the Adjudicator, Writer and timer/assessor for each session. Guidance will be given regarding dietary requirements and appropriate foods for the time of day, break time and space restrictions. All session volunteers will be advised to select food from the canteen and we ask that you record what has been consumed by our officials/volunteers and present the ticket box with an invoice at the end of each session for payment.

Indicate in your proposal how your presentation/range of goods for sale may enhance and support Longbeach's strive for professionalism.

Proposals due by 1st June, emailed to info@LongbeachCalComp.com.au

To ensure a fair and unbiased decision, club names will be hidden and proposals tabled by the Convenor at a Longbeach Committee meeting. Committee members will select by majority decision the proposals that best suit the standards and future direction of the Longbeach competition.

The Convenor will contact the successful clubs by as soon as possible after the decision is made to ensure there is plenty of preparation time. A group discussion will be held with our committee members and all Club Representatives responsible for the canteen to ensure continuity and consistency.
